A check <u>must</u> be submitted payable to LPVEC for the cost of the employee share premiums for the months of July and August with your enrollment form. Regular deductions will begin in the month of September.

** For hourly employees, your first check in September may not have enough pay to cover your regular biweekly insurance premium. If that is the case, we will be making up the amount not paid/still owed in the next two paychecks.

Dear LPVEC Employee,

As part of a continuing effort to help control the rising cost of health insurance premiums for its employers and employees, Scantic Valley Regional Health Trust, <u>through which your employer purchases health insurance</u>, requires its members to verify the eligibility of each employee and the employee's dependent when enrolling employees in a family health insurance plan. **All Scantic Valley Regional Health Trust subscribers who are enrolled in a plan are required to comply with this requirement.**

The following is a list of the necessary documentation that must be submitted to verify eligibility for each employee and employee's dependent enrolled on a LPVEC health insurance policy.

<u>Relationship</u>	Documentation
Employee	Photocopy of town- or city-issued birth certificate (hospital records are not accepted).
Spouse	Photocopy of town- or city-issued marriage certificate (church or Justice of the Peace certificates are NOT accepted), AND Page 1 of your filed Federal Tax Return (1040 or 1040A.) Social Security numbers and income may be blacked out. Federal Tax Return requirement does not apply to same-sex marriages (affidavit will be provided).
Divorced or Separated Spouse	Photocopy of the health insurance provision language from divorce/ separation agreement, <u>AND</u> first page listing names of both parties or signature page.
Child up to age 26	Photocopy of town- or city-issued birth certificate (long form listing parents' names) (hospital records are not accepted), or Court Order documenting guardianship, or adoption papers.

Documents such as marriage or birth certificates may be obtained at the Clerk's Office in the City/Town where the event occurred. Please note there may be a delay in obtaining certain documentation. We urge you to contact the appropriate offices as soon as possible.

The following page explains dependent eligibility under Scantic Valley Regional Health Trust and carrier guidelines. For dependents that are not eligible, insurance may be available through the Health Connector, an online health insurance marketplace for residents of Massachusetts. Go to <u>www.mahealthconnector.org</u> for more information.

Failure to comply with this requirement will result in the removal of your dependent(s) from the health plan.

Scantic Valley Regional Health Trust REGULATIONS FOR COVERING SPOUSES/DEPENDENTS

<u>Eligible Spouses</u> - The subscriber may enroll an eligible spouse for coverage under his or her health plan membership. An 'eligible spouse' includes the subscriber's legal spouse.

In the event of a divorce or legal separation, the person who was the spouse of the subscriber prior to the divorce or legal separation will remain eligible for coverage under the subscriber's health plan membership, whether or not the judgment was entered prior to the effective date of this health plan. The former spouse will remain eligible for this coverage only until the subscriber is no longer required by the judgment to provide health insurance for the former spouse or the subscriber or former spouse remarries, whichever comes first.

If the subscriber remarries, the former spouse may continue coverage under a separate health plan membership with the subscriber's group, provided the divorce judgment requires that the subscriber provide health insurance for the former spouse. This is true even if the subscriber's new spouse is not enrolled under the subscriber's health plan membership. However, the former spouse must move from family coverage to individual coverage and additional premiums will be required; the former spouse only remains eligible under the group if the divorce decree provided for such coverage. If the former spouse remarries, the former spouse's eligibility ends.

<u>Eligible Dependents</u> - The subscriber may enroll eligible dependents for coverage under his or her health plan membership. The subscriber's 'eligible dependents' include: a dependent child who is between the ages of 19 and 26 (19 and 25 for BCBS members). These include the subscriber's or legal spouse's dependent children who qualify as dependents as subject of a court order that require the subscriber to provide health insurance for the children. These may include:

- 1. A newborn child the effective date of coverage for a newborn child will be the child's date of birth provided that the subscriber formally notified the plan sponsor within 30 days of the date of birth.
- 2. An adopted child the effective date of coverage for an adopted child will be the date of placement with the subscriber for the purpose of adoption. The effective date of coverage for an adoptive child who has been living with the subscriber and for whom the subscriber has been getting foster care payments will be the date the petition to adopt is filed. If the subscriber is enrolled under a family plan as of the date he or she assumes custody of a child for the purpose of adoption, the child's health care services for injury or sickness will be covered from the date of custody.
- 3. A child who is recognized under a Qualified Medical Child Support Order as having the right to enroll for health care coverage.
- 4. A dependent child who is between the ages of 19 and 26 (19 and 25 for BCBS members).
- 5. An unmarried disabled dependent child may maintain coverage under the subscriber's health plan membership. The child must be either mentally or physically handicapped so as not to be able to earn his or her own living, as determined by the health plan carrier. The subscriber must make arrangements for the disabled child to continue coverage under the family contract no more than 30 days after the date the child would normally lose eligibility.

Special Enrollment Notice

The <u>Patient Protection and Affordable Care Act</u> passed by Congress in 2010 requires that we provide a **Summary of Benefit and Coverage (SBC)** for each of the health plans available to you during the open enrollment period.

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or other dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage.) However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage.)

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact a Human Resources representative at 413-735-2200 or email to PAYROLL@LPVEC.ORG.

THIS NOTICE IS REQUIRED BY THE NATIONAL HEALTH REFORM LAW (ALSO KNOWN AS THE AFFORDABLE CARE ACT OR ACA)

This notice is meant to help you understand health insurance Marketplaces, which were set up to make it easier for consumers to compare health insurance plans and enroll in coverage. In Massachusetts, the state Marketplace is known as the Massachusetts Health Connector. Your employer is required by law to provide you the information contained in this notice. You may or may not qualify for subsidized health insurance through the Health Connector. If you are offered coverage by your employer that is considered "affordable" and meets a "minimum value" standard according to federal definitions (see below), you most likely will not qualify for the subsidized coverage offered through the Health Connector described in this notice. However, it may still be helpful for you to read and understand the information included here. Please ask your employer for more information if you have questions.

Overview:

As a result of the Affordable Care Act (ACA), there is an easy way for many individuals and small businesses in Massachusetts to buy health insurance: the Massachusetts Health Connector. This notice provides some basic information about the Health Connector, and how coverage available through the Health Connector relates to any coverage that may be offered by your employer. You can find out more by visiting **MAhealthconnector.org**.

What is the Massachusetts Health Connector?

The Health Connector is our state's health insurance Marketplace. It helps individuals, families, and small businesses find health insurance that meets their needs and fits their budget. The Health Connector offers "one-stop shopping" to easily find and compare private health insurance options from the state's leading health and dental insurance companies. Some individuals and families may also qualify for a federal tax credit that lowers their monthly premium right away, as well as cost sharing reductions that can lower out-of-pocket expenses. The next open enrollment for individuals and families to buy health insurance coverage through the Health Connector is scheduled to begin on November 1, 2024, through January 23, 2025. Individuals and families who experience a qualifying event can shop outside of open enrollment periods. You can find out more by visiting **MAhealthconnector.org.** or calling **1-877 MA ENROLL** (1-877-623-6765).

Can I qualify for federal and state assistance that reduces my health insurance premiums and out-of-pocket expenses through the Health Connector?

Depending on your income, you may qualify for federal and/or state tax credits and other subsidies that reduce your premiums and lower your out-of-pocket expenses if you shop through the Health Connector. You can find out more about the income criteria for qualifying for these subsidies by visiting **MAhealthconnector.org.** or calling **1-877 MA ENROLL** (1-877-623-6765).

Does access to employer-sponsored coverage affect my eligibility for help paying for coverage through the Health Connector?

An offer of health coverage from your employer could affect your eligibility for subsidies through the Health Connector. If your income meets the eligibility criteria, you will qualify for subsidies through the Health Connector if:

- Your employer does not offer coverage to you, or
- Your employer does offer you coverage, **but**:
 - Your employer's offer of an employee-only or family plan for your household would require you to spend more than the following percentage(s) of your household income:

Is your employer's health insurance coverage affordable?				
Coverage for 2024	8.39% of household income			
Coverage for 2023	9.12% of household income			

 Or, the coverage your employer provides does not meet the "minimum value" standard set by federal law (which says that the plan offered has to cover at least 60 percent of total allowed costs).

If you have coverage through your employer but are interested in shopping through the Health Connector, be sure to check with your employer on the rules around how and when you can disenroll from your employer's group coverage. If you purchase a health plan through the Health Connector instead of accepting health coverage offered by your employer, please note that you will lose the employer contribution (if any) for your health insurance. Also, the amount that you and your employer contribute to your employer-sponsored health insurance is often excluded from federal and state income taxes.

Please note: You can find the most up to date percentages used to calculate affordability here: **www.mahealthconnector.org/esi-affordability-calculator**.

EMPLOYER-SPONSORED HEALTH COVERAGE

This section will help you collect information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information.

Does this employer offer any of the following health coverage options for at least some employees? Check all that apply.

- Employer-sponsored health insurance that meets federal standards for affordability and minimum value. Note: Whether a plan meets "minimum value" can be found on the plan's Summary of Benefits and Coverage (SBC).
- □ Individual Coverage Health Reimbursement Arrangement (ICHRA)
- Qualified Small Employer Health Reimbursement Arrangement (QSEHRA)

If the employer offers any of the above options, and if the employee receiving this notice qualifies for such benefits, they can find out more by contacting: ______ (may be an HR contact, a resource, or an appendix to this document)

If no health coverage options are offered, or if employee receiving notice does not qualify for **such benefits,** the Health Connector can help employees evaluate coverage options, cost and eligibility. Please visit **MAhealthconnector.org.** for more information, including an online application for health insurance coverage.

Note: If the employee is offered an unaffordable ICHRA and would like to apply for financial help through the Health Connector, they must opt out of the ICHRA and notify the employer.

If the employee is offered an unaffordable QSEHRA, they can **not** opt out of their QSEHRA. However, they may still qualify for financial assistance through the Health Connector.
